Yorkshire Dales National Park charges	It is known that some Yorkshire Dales National Park Authority (YDNPA) charges were not within the Richmondshire District Council register prior to migrating to HM Land Registry. This number is believed to be around 1460 records, but action is being taken to ensure the HM Land Registry register is complete. This is to be finished before the end of 2022.	Please refer to the below informative statement previously issued by Richmondshire District Council for potential missing YDNPA data. Note that this statement will <u>NOT</u> appear on HM Land Registry search results or certificates.
